It is often a time of passage. For our kids, this is especially so. When they graduate, it is the end of an era. But it is also a time of reflection and growth, a time of transition and new beginnings. It is a time to celebrate the achievements of the past and to look forward to the possibilities of the future. It is a time to say goodbye and to welcome new friends and opportunities. It is a time to reflect on the lessons learned and to apply them to the challenges of the future. It is a time to cherish the memories of the past and to create new ones. It is a time to celebrate the successes of the past and to plan for the successes of the future. It is a time to be proud of what has been accomplished and to strive for even greater achievements in the future.
