SUMMER REGISTRATION
Summer School 2018 registration forms must be completed and returned to the law school registrar by Friday May 25, 2018. Registration forms must be accompanied by a deposit of $100.00 per course (Check or money order payable to Duquesne University School of Law) which will be credited towards your tuition for the course(s); however, deposits will not be refunded under any circumstances. Your tuition balance is due by Monday, June 18, 2018.

REFUND SCHEDULE
You must inform the Law School Registrar’s Office in writing (typed) of your intention to withdraw from Summer School. The course(s) are not removed from your record until the office is officially notified in writing. A student withdrawing during the first week of summer school will receive a refund of 65% per course. Thereafter, no refunds will be given.

TUITION
Summer Tuition is $882.00 per credit.

COURSE ENROLLMENT
Each course must have an enrollment of six (6) students or the course will be cancelled.

SUMMER 2018 COURSE DESCRIPTIONS

*International Criminal Tribunals: Prosecution and Practice— 1 cr.
Adjunct Professor Corliss (LAWS 215)  34010
No Prerequisite
Course Requirement: take-home exam
Enrollment limit: 30
No Book Required

This course will focus on the practice of international criminal tribunals. The course examines the sources of international criminal law (treaties and conventions, international custom, human rights norms), the most serious crimes charged under international law (genocide, crimes against humanity, war crimes), and the modes of liability for charging the accused under international law.
The syllabus is structured to cover the history of international law, the practice of international criminal tribunals, and the special topics and crimes unique to the field.

Please note: The take-home exam will be due Tuesday, June 5, 2018 by 6:00 pm. The take-home exam will be submitted by email to the professor.

*Privacy and Data Security— 3 crs. ONLINE COURSE
Professor McPeak – (LAWS 218) 34019
Course Requirement: take-home exam (online submission)
Enrollment Limit: 16
Book: Privacy and Data Protection Law, 1st Edition

This course provides an introduction to the legal principles that protect personal information in the digital age. Students will study the laws that shape privacy and data security in the United States, including the US Constitution, federal statutes, federal agency actions, state statutes, contract law, and tort law. Some international dimensions, particularly European Union regulations, will be included as well. Students will explore the technological underpinnings of data security and privacy, while also thinking critically about how the law should respond to ever-evolving technology.

June 4th – June 20th - Asynchronous
